Immunizations

If your child needs an immunization to be up to date with state standards, I have been contacting you by letter or phone. I will work with you to schedule appointments, and I have several resources for low cost immunizations, but the deadline for compliance is Tuesday October 28, 2014. Please schedule your appointments and bring me the updated shot record after obtained or have the record faxed to 317-862-7255. We do not want any student to miss instruction time due to missing immunizations.

Vision Testing

Vision testing was conducted this week for grades 1, 3, 5, and any student new to county. In the next few weeks, referral notices will go home for the students that did not pass the vision screen. I will try to let you know prior to fall break. Notices will only go home to students who failed the screening.

Counselor Corner

Dear Parent/Guardian:

This year, I will conduct small groups for any students in grades 1-5 who have experienced a loss/change within their family in the past. At this time, I am forming these groups for the 2014-2015 school year. Any student who has had a death in the family and/or is living in a non-traditional family due to a change such as separation, divorce, remarriage, deployment, etc. is invited to join one of these groups. Children who have previously participated in such a group are welcome to join again.

It is common for children who have experienced such changes to feel isolated. These support groups give them a chance to express themselves. It is also a chance to help them realize that they are not the only person to experience this kind of loss. Research has shown that children may need help learning to cope with important changes in family life so that they can succeed in school and socially with others.

I conduct these groups at school during the school day. Each group meets for 30 minutes weekly for approximately 6 weeks (during lunch time). Your child's group will be comprised of children of the same age and/or circumstances whenever possible. A signed permission form must be returned before a child may participate in the group. You will find this form at the bottom of this page. If you have any questions, need further information, or wish to speak to me personally about your situation, please feel free to contact me at 860-4257.

Thank you!
