We are excited to welcome all new and returning families to the 2019-2020 school year at Adams Elementary. We are looking forward to having an exciting and successful year through the partnership of the **P**arents, **T**eachers, and **S**tudents. Our mission, as a PTS is to foster a nurturing and caring environment that strives for continued parent involvement to help build a better educational experience for our children. Our PTS has many ways you can get involved. Whether you have 30 minutes or a couple of hours, your ideas, your time and your skill sets are truly needed in every area. All are welcome – moms, dads, aunts, uncles, grandparents, etc. All families are considered members of our PTS, no dues required.

A majority of the funds received by the PTS is utilized for educational field trips for all grade levels. The PTS has a Fall Fun Run and a Spring Fling to help build the funds required. We also do after school activities. If you are interested in helping with our PTS or have questions, please attend one of our meetings or contact one of the board members.
